

Technical Data Sheet HEAVY DUTY HAND CLEANING WIPES

Grime Boss Heavy Duty Hand cleaning wipes are capable of removing oil, grease, paint, diesel, PU foam, adhesives and everyday gunk and grime.

The 2in1 ActionScrub™ provides the right amount of power for any job. Dual-sided, the tough scrubbing side removes stuck on residue and heavy grime. The smooth side is gentle enough for cleaning hands, face and arms. Grime Boss wipes are specially formulated to provide effective cleaning but still be kind to hands and skin. The wipes' formulation contains Aloe Vera and Vitamin E to help protect and moisturise the skin whilst you are "on the go". The trademarked Pro-Klean™ moisturizing formula and unique 2in1 ActionScrub™ applicator have been dermatologically tested by independent experts and comply with EU cosmetic regulations.

TYPICAL APPLICATIONS

- Heavy duty hand cleaning
- Ideal for off-site working where accessibility to soap and water are difficult
- Removal of heavy soils including oil, grease, paint, diesel, petrol, PU foam, adhesives, sealant and everyday grime
- For people "on the go", be it in the workshop, changing a tyre or doing a hobby

ADVANTAGES

- Provides the right amount of power for any job
- Powerful cleaning action which easily removes contaminants
- Speed, ease and convenience of use
- Paper towels and cloths can be replaced
- Pleasant and fresh citrus fragrance
- Hands are moisturised and re-vitalised

KEY FEATURES

- Distinctive dual-sided technology aids cleaning action on tough side and completes cleanse with smooth side to finish
- User-friendly dispensing technology retains freshness for longer, whilst enabling easier, single-handed user access – great for grimy hands
(NB: available on 30ct and 60ct packs)
- Non-hazardous

TECHNICAL SUPPORT

Nice-Pak International's success is based on a record of continuous investment in production, technology and research set against a background of solid financial foundations. A commitment to quality underscores all that we do at Nice-Pak. This is reflected in the rigorous quality assurance systems which touch on every aspect of the way the business operates. Our Quality Assurance technicians conduct extensive tests within the factory, whilst our own microbiological laboratory analyses every product batch. It should come as no surprise, therefore, that we carry several external accreditations including ISO 9001 and ISO 14001. Should you have any technical or general product questions regarding the Grime Boss range of products please contact info@grimeboss.co.uk and we will be pleased to help.

DISPOSAL

Grime Boss Heavy Duty hand wipes should be disposed of with general waste and must not be flushed away.

See www.grimeboss.co.uk

CORPORATE SOCIAL RESPONSIBILITY
